

Shelfton Infant School

Year 2 Newsletter– Autumn 2 2022

Science We will be learning about living things and their habitats. We will also learn how to classify animals.

RE We will learn about Christianity. We will look at key symbols and icons and we will read/listen to the parables of The Lost Sheep and The Good Samaritan.

Computing We will be learning how to code using algorithms, programming and debugging on Purple Mash.

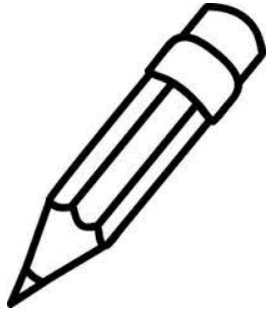

Geography We will be learning about the continents of the world and the oceans that surround them. We will use different types of maps to aid our learning.

D&T We will be learning how to make sliders and levers which will help us to make a moving Christmas card.

PE We will be developing our locomotion skills by learning how to dodge. We will incorporate the skills we have learnt into team games involving some attacking and defending.

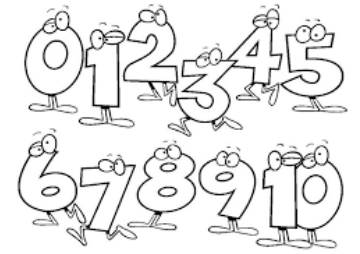

Music We will be learning about dynamics and tempo. We will listen to music from around the world and improve our composition skills.

PSHE We will be learning about different relationships and how to manage our emotions. We will also be learning how to communicate safely on the internet.

Shelton Infant School

Year 2 Newsletter– Autumn 2 2022
