Nursery - Summer 2 2022

Topic work

This half term will be thinking about Fun in the Sun!

This topic will incorporate a wide range of cross curricular activities including opportunities for music, art work, ICT, drama, maths, science, DT and imaginative play. We will be welcoming some caterpillars into our classrooms and watching as they grow and change. There will be exciting weeks such as Shelton Splashes Week .

Wednesday 22nd June—Sports Day in the nursery garden.

Week beginning 27th June—Shelton Splashes (more details to follow).

Shelton Infant School

Sharing our Learning Newsletter Nursery- Summer 2 2022

Literacy in Nursery:

The children will enjoy a story session each day linked to the topic wherever possible. These story sessions will often include the use of a wide range of puppets and story sacks to help stimulate interest and enthusiasm. All children will have the opportunity to select their own library book each week from a selection specifically purchased for this age group. They will learn a nursery rhyme each week and take this home in their library bag. There will also be lots of opportunities to 'play write' especially in the role play area. A wide range of drawing and writing materials are always available on the drawing trolley. The children are reminded to 'nip, flip and grip' their pen when writing. We will be playing lots of games to encourage

Maths in Nursery:

The children will sing a wide range of number songs and rhymes and again these will often be supported by the use of visual aids such as puppets and pictures. They will practise counting through lots of fun games and activities. They will work on recognising numbers 1-10 and begin to form them. The children will be reminded to count carefully when asked to 'give me' an amount of objects and 'show me' an amount on their fingers. The children will learn about shapes all around them and name 2D shapes. They will explore symmetry, capacity and continue using positional language.

You can help your child by

- * Talking with them as much as you can about anything and everything.
- Reading lots of traditional stories and encouraging your child to join in.
- Playing simple board games together.
- Encouraging your child to write their name.
- Support your child by attending special events to be held this half term
- Talking positively about the next step of your child's education and if you have any concerns please come in and raise them with the class teacher.
